

SENIOR SERVICE LOCATOR

Help shape the future through precision, collaboration, and innovation.

WHO WE ARE

At RM Surveys, we harness cutting-edge surveying techniques and innovative spatial solutions to shape the world around us. Our mission is driven by precision, collaboration, and community.

We foster a workplace where people feel empowered to turn visions into reality, and where diversity, equity, and inclusion are core to our culture. We celebrate the uniqueness of every individual and the strength that comes from our differences.

ABOUT THE ROLE

RM Surveys is expanding its Utility Mapping team and is seeking an experienced and driven **Senior Service Locator** to lead efforts in the critical field of underground asset mapping. This is an excellent opportunity to shape the future of spatial surveying with your expertise and leadership.

KEY RESPONSIBILITIES

- > Lead the utility mapping process using advanced techniques to locate and document underground services with precision.
- > Oversee the preparation of detailed reports on identified utilities, ensuring all findings are recorded to the highest standard.
- > Operate and guide the safe use of locating equipment, such as Ground Penetrating Radar (GPR), Electro-magnetic Locating devices (wands), potholing, and non-destructive digging tools.
- > Provide mentorship and technical guidance to junior team members, ensuring consistent adherence to procedures and safe practices.

ABOUT YOU

- > A minimum of two (2) years of proven experience in underground service locating, including proficiency with GPR and Electro-magnetic devices.
- > Exceptional organisational skills and the ability to manage multiple client interactions and team collaborations effectively.
- > A commitment to precise utility documentation and adherence to HSEQ regulations.
- > A strong work ethic with a positive attitude and the ability to thrive in an independent work environment.
- > Mandatory: Valid Australian driver's license and White Card.
- > Certloc Accreditation.
- > ATCO High-Pressure Gas Accreditation (advantageous)
- > Concrete Scanning Experience (Advantageous)
- > Surveying (Advantageous)

DESIRABLE BUT NOT ESSENTIAL

- > Defence Common Access Card (DCAC).
- > Familiarity with vacuum excavation methods.
- > Recent Police Clearance (or willingness to obtain one).

WHAT YOU CAN EXPECT

- > A collaborative and empowering culture built on trust
- > Personalised career development to support your professional growth
- > Flexible working options
- > Paid parental leave scheme
- > Employee assistance program
- > Paid community service leave
- > Free annual skin checks
- > PBF Australia Membership

At RM Surveys, we actively welcome applicants from all walks of life. We're committed to fostering a workplace that is inclusive, respectful, and representative of the communities we serve.
